A Centre That Serves

A Centre That Serves (ACTS) a Public Benefit Organisation (PBO) situated on the South Coast of Kwa Zulu Natal, South Africa is responding to the need semi-rural impoverished communities of Nsimbini and Ezimangweni 10 minutes from Amanzimtoti by empowering, training, developing and mentoring those smaller community based projects so that they become self efficient and self sustainable. **The community based projects feeds 2000 children (mainly orphans) four times a week, farm a vegetable garden which is self sustainable, manage a pre-school that has been set up by ACTS to provide education, safety and a nurturing environment to vulnerable children, run sewing and arts and crafts workshops that enable the unemployed and people with disabilities to become employable.**

A lack of daily nutritious meals for growing children is a reality in semi-rural communities in South Africa. We want to prevent children mainly orphans in Nsimbini and Ezimangweni from being malnourished and ensure that they become more active, nourished and healthy, also slowing opportunistic HIV infections.

You're R70 or more will provide at least two hungry children daily with a plate of food for one month!
