2011 (Issue 1)

A Centre That Serves

Wow!! 2011 is here and we are looking forward to a wonderful exciting year. Our wishes for you this year is that your lives will be filled with goodness and your paths strewn with abundance – in whatever area of your life , be it health, spiritual growth , money, love or good relationships. December was a buzz of excitement at ACTS with all the arrangements going into planning, collecting and organising gifts for the 2000 children (mainly orphans) in the community of Nsimbini and Ezimangweni.

ACTS made it possible for over 2000 children (mainly orphans) to receive a Christmas gift. !!!!!!!

The toys and gifts were handed to the children just before Christmas and we were blown away by the excitement on the children's faces. For many of the children it was their first time receiving a gift for Christmas.

Khanya Langa Pre-school children thoroughly enjoyed the cake, ice cream and snacks.

For the first time we were able to give the voluntary care workers who work so unselfishly without remuneration a small gift as a token of our appreciation.

At Ezimangweni the children had an awesome time singing and showed remarkable discipline while waiting for their presents to be handed out. Nsimbini Information Centre thoroughly enjoyed the jumping castle and even the hot weather could not put a damper on the excitement of the children.

Highlight of the occasion was our guest speaker Paul (person with a disability) who took the time out to render a word of encouragement to all.
